

Peertube

This book covers accessing video content via <https://video.firehawk-systems.com>

- [Logging In](#)

Logging In

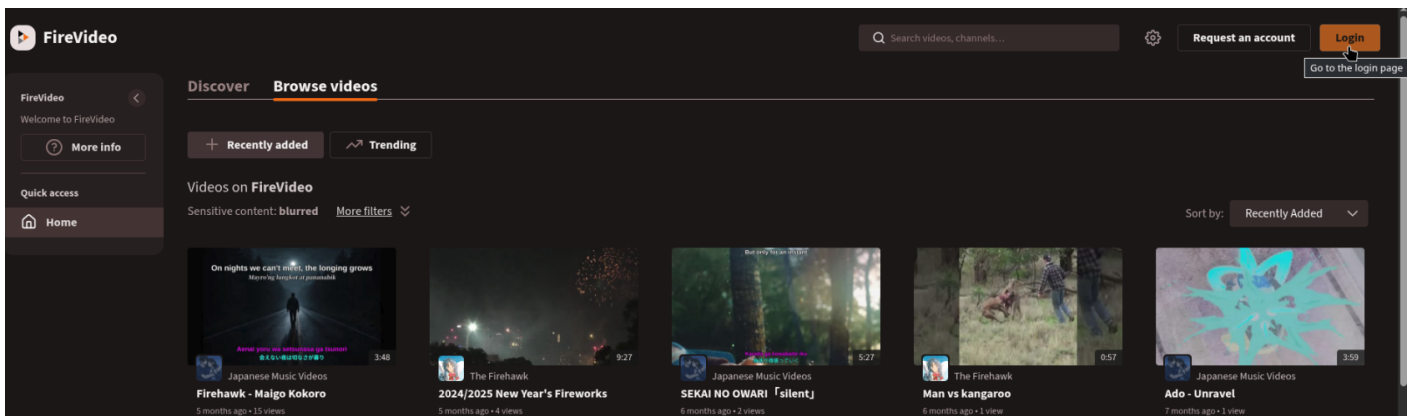

Logging In

Access to Peertube video content requires a Firehawk-Systems account

If you don't have a Firehawk-Systems account, follow this process <https://knowledge.firehawk-systems.com/books/managing-your-account/page/requesting-an-account>

Navigate to <https://video.firehawk-systems.com> and click the "Login" button

Note: The "Request an account" function is disabled

From the login screen, read the "Terms of FireVideo", then proceed to login if you accept.

The credentials of your Firehawk-Systems should be used.

If you cannot login, email support@firehawk-systems.com with the title "REQUEST - Peertube Access: <my username>"

Note: "I forgot my password" and "Create an account" functions are disabled and will not work

Login on FireVideo

Logging into an account lets you publish content

FireVideo allows registration. However, be careful to check the [Terms](#) before creating an account. You may also search for another PeerTube platform to match your exact needs at: <https://joinpeertube.org/instances>.

Username or email address

Example: john@example.com
